

Dear Guest,

you have chosen to participate in an event in our Medical Competence Centre "Medizin im Grünen". We look forward to welcoming you soon.

You probably do not live around the corner so you might choose public transportation (train, plane) to get to us. Once you have reached Berlin it is easy to find your way to Wendisch Rietz

This is how you get to us:

#### Berlin Tegel Airport / Berlin Schönefeld Airport

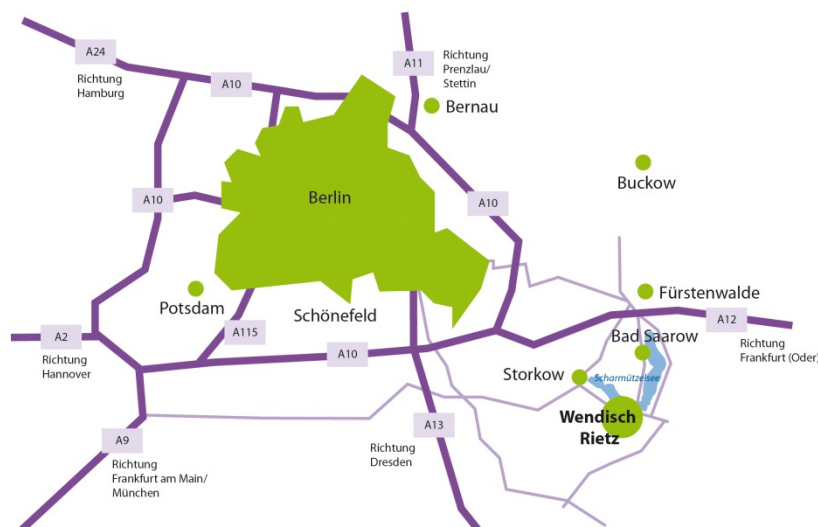

- We encourage you to book a taxi previously

#### Central Station

- Continue to Fürstenwalde / Spree or Bad Saarow and from there a taxi to us

To assist you in the search for a taxi, please find the contact information of our taxi company below.

We kindly ask you to plan your arrival so that you arrive at least two hours before the event's beginning in Berlin. For the transfer to Wendisch Rietz (approx. 50-80 km) the taxi driver needs up to 90 min. depending on traffic.

We are happy to help you with the organization of your trip. Fill in the table below with the arrival information and we will inform our taxi companies.
