**By travelling to the ACV**

**Austria:**
Austria has an excellent road network. To get to the Austria Center Vienna by car take the A22 motorway (Donaufuferautobahn) and turn off at the Austria Center/VIC exit. Alternatively, take the Reichsbrücke bridge or approach from Wagramer Strasse.

**From and to the airport:**
There are several ways to travel into the city from Vienna International Airport. But we ask all our visitors to think of the environment and use public transport wherever possible.

**City Airport Train CAT**
16 minutes to Landstrasse/Wien Mitte station
Frequency: every 30 minutes
Airport check-in at the Wien Mitte City Air Terminal
www.cityairporttrain.com

**Rail S-Bahn commuter railway (S7)**
27 minutes to Landstrasse / Wien Mitte station
Frequency: every 30 minutes during the day
www.oebb.at

**Bus:**
Airport shuttle
Direct service to the Austria Center Vienna: 30 minutes (stop: Wien Kaisermühlen-Kagran)
City centre: 17-45 minutes (other stops: Schwedenplatz, Wien Westbahnhof, Rathaus, Schottentor, Volkstheater)
Frequency: every 30-60 minutes during the day
www.viennaairportlines.at

**Urban public transport:**

**Rail**
Excellent rail connections to all the major European population centres makes travelling by rail a particularly attractive option. The Austrian rail network is operated by Austrian National Railways (ÖBB). Connections to international destinations arrive at and depart from several different stations in the city.

Travel times from major European cities:
- **ÖBB**
  - Bratislava: 1 hour
  - Budapest: 1 hour 45 minutes
  - Munich: 4 hours
  - Prague: 4 hours 30 minutes
  - Zurich: 7 hours 45 minutes
  - Berlin: 12 hours
  - Rome: 13 hours 30 minutes
  - Visit www.oebb.at for prices and schedules.

**Stations in Vienna**
Vienna Hauptbahnhof (main station, formerly Südbahnhof)
Vienna’s new main station is one of the most advanced in Europe.

Public transport link: U1 station Hauptbahnhof/Südtiroler Platz

Südbahnhof (Ostbahn)
During the construction of the Hauptbahnhof, regional and local trains from the east (e.g. Bratislava) will terminate at this station.

Public transport link: U1 station Hauptbahnhof/Südtiroler Platz

Wien Meidling
All local rail services that previously called at Südbahnhof and long distance rail services (e.g. from the Czech Republic and Poland to Wiener Neustadt and Villach) now stop at Wien Meidling.

Public transport link: U6 station Bahnhof Meidling

Westbahnhof
Most trains from Western Europe and the west of Austria arrive at and depart from Westbahnhof.

Public transport link: U3 and U6 station Westbahnhof

Austrian National Railways (ÖBB) website

**Public transport**
Vienna has a fully integrated public transport network consisting of 5 underground lines, 28 tram routes and more than 100 bus routes.

Frequent services: waits of just 3-5 minutes at peak times, rising to between 5 and a maximum of 15 minutes in the evenings.

Operating times: 05.00-00.30, night service on weekends (Friday and Saturday night and the nights before public holidays) 00.30-05.00

Frequent services: starts from Stephansplatz, Wien Kaisermühlen-VIC and the Austria Center Vienna is just a few minutes’ walk from the station.

**Taxi:**
The airport is located directly on the A4 motorway. It takes around 25 minutes to reach the Austria Center by taxi. 25 minutes to the Austria Center Vienna Price: around EUR 36

**The fastest way to the Austria Center Vienna**
It takes just seven minutes to reach the Austria Center Vienna from Stephansplatz in the heart of the old town.

Underground line U1 (red)
U1 station Kaisermühlen, VIC
