# Our Network

With our network freedom, we are able to carefully select the best partners who we know will offer the highest and most competitive service available. We prefer all our chosen partners to be a member of IELA (International Exhibition Logistics Association), which is made up of the best logistics specialist in the World.

# Our Exhibitor Services

## “Everyone is important to us”

### Pre Show

- User friendly online booking system
- Fully comprehensive shipping instructions, tariff and instructions
- Fully comprehensive shipping instructions and tariff for courier shipments – Sponsorship / delegate material and stand material
- Instant automated booking confirmation via email and text
- Dedicated customer service team providing free help and advise 7 days a week
- Customs documentation guidance
- Shipping time frames
- Packing advise
- Close monitoring of full shipment process when booked with EIF / one of our local partners
- 24 hour international quote turn around

### Onsite

- New orders can be placed online through QR code (there will be signage onsite)
- Exhibitors receive regular auto shipment updates via email or text
- Onsite EIF office with dedicated staff to assist exhibitors
- Plant hire services onsite to meet with demands
- 2 tier onsite storage services
- EIF team to visit exhibitors to discuss return / onward shipping

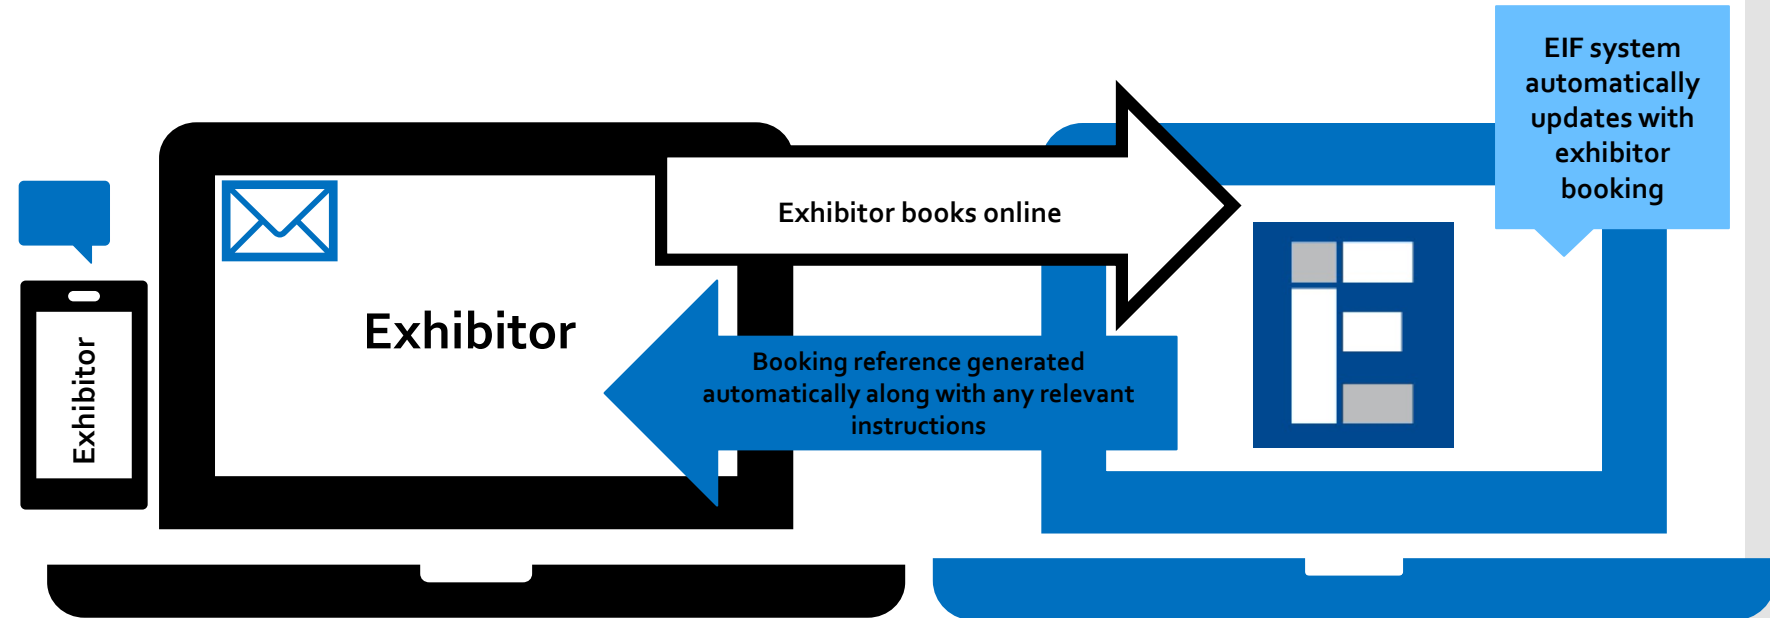

### Post Show

- Quick expedition of returning freight
- Efficient post show invoicing
- Dedicated office team to assist with any further post show enquires

# Technology Overview

## “Linking everyone together”

EIF are at the forefront of the industry with our cutting edge technology. Our system allows us to provide the most efficient service to all of our exhibitors, pre, during and post shows.

All you need to do is book our services directly through our online [service order form](#).

You can also access our online service order form  
by simply scanning our QR Code
