The 34th Annual Meeting
EACTS
European Association for Cardio-Thoracic Surgery

- Plenary Session
- Abstract Session
- Focus Session
- Professional Challenge
- Techno College
- Industry Session

Thursday, 8 October

Click [here](#) for online detailed program

Forum Hall A - Meeting Rooms Hall B - Meeting Rooms Hall A & B

EDT 12:00 CST 00:00 CET 18:00

Auditorium 111/112 113/114 115 116/117 118/119 120 211 212 Exhibition

(Wednesday) 30

Please join us at the **Barcelona Gallery** for **EACTS TV**. Meet with your EACTS friends and take a drink with you!

			Starting at 09:00				Starting at 09:00					
03:00	15:00	09:00	Industry Sessions (See separate overview)	Advanced 3D modeling and augmented reality in...	Pulmonary nodules – what is the best tactic in the 21st...	Industry Sessions (See separate overview)		Industry Sessions (See separate overview)				
04:00	16:00	10:00	Starting at 10:30				Starting at 10:30					
05:00	17:00	11:00	Techno College	Tricuspid valve surgery: going beyond the	Aortic arch/coarctation	New approaches in neoadjuvant treatment...	The coming of age of the frozen elephant trunk...	Transcatheter Aortic and Mitral Valve Therapies	Ross Operation – colibri or predictable procedure?	Controversies in coronary artery bypass grafting		
06:00	18:00	12:00	Starting at 11:00				Starting at 13:00					
07:00	19:00	13:00	Transcatheter Therapy – If there is more than one lesion	Trends and outcomes of mitral repair: the role of age...	Aortic valve, Ross(-Konno)	Lung Oncology - Outcome	New evidence and tailored strategies to address the...	What's new in the infective endocarditis surgery?	Regulatory Translating basic research of cardiothorac-	Off-pump and less invasive coronary revasculari-		
08:00	20:00	14:00	Starting at 13:30				Starting at 13:30					
09:00	21:00	15:00	Matching conduits and techniques to surgeons and patients	Alternatives to standard aortic prostheses	Double outlet right ventricle	Miscellaneous Thoracic	Acute dissection beyond the ascending aorta	Translational Research in Cardiac Surgery	Joint session with ESC Heart Failure CPR and cardiogenic...	New insights in minimally invasive and trans-catheter...		
10:00	22:00	16:00	Starting at 14:45				Starting at 14:45					
11:00	23:00	17:00	Aortic Valve Cusp Plasty: From isolated patch to cusp replacement				Strategies and Outcomes on Acute Type A Aortic...	Allied Health Professionals - Impact of COVID 19 in nearly...	Surgery for the Left Ventricle: Less is more? More is less?	Late breaking trials and evidence update		
12:00	00:00	18:00	Starting at 16:30				Starting at 16:30					
13:00	01:00	19:00	Please join us at the Barcelona Gallery for EACTS TV . Meet with your EACTS friends and take a drink with you!									

Open 24 hours

Visit the booths and meet the exhibitors!

Open 24 hours

- In the portal click on the **left upper icon** (📍) to navigate to the Meeting Rooms
- To attend a session you must **enter** with your avatar in the meeting room and **click on the screen** to view the session
- Presentations will be only accessible from the meeting rooms located in the Forum, Hall A and Hall B
- There is a possibility to **chat** during, or participate to **live Q&A** at the end of each session
- Live sessions will be **replayed once** and presentations will be available on demand via the 2 media libraries (Hall A & Hall B)
- All Scientific Sessions will be translated in **16 languages**

Social Events

Join us every day at the informal get-together EACTS TV from **18:00 to 19:00** (CET time, Friday from 19:00 - 20:00) at the **Barcelona Gallery**

Connect with colleagues and friends and meet experts, physicians and researchers and exchange impressions of the Congress.

Enjoy the show and discover the Barcelona Gallery.
