

Final Program

<u>08.00 – 8.50</u>	<u>Welcome</u>
<u>08.50 – 10.30</u>	<u>Emerging Equipment & Techniques</u>
8.50	Introduction
9.00 – 9.15	“Normothermic Regional Perfusion” M. Mata, Perfusionist, ECCP, Barcelona
9.15 – 9.30	“Myocardial Protection in 2021” Prof. Dr. S. Gunaydin, MD, PhD, Ankara City Hospital, Turkey
9.30 – 9.45	“Hemoadsorption Per and Post Cardiac Surgery: The 2021 Update” Prof. Dr. F. Pappalardo, San Raffaele University, Milan, Italy
9.45 – 10.05	Q & A
10.05 – 10.15	ABSTRACT Submission: “Magnetic levitation pump versus constrained vortex pump: A pilot study on the Hemolysis effect during minimal invasive extracorporeal circulation” I. Condello, Department of Cardiac Surgery, Anthea Hospital, Bari, Italy
10.15 – 10.25	ABSTRACT Submission: “The Selection of Prime Constituents for Cardiopulmonary Bypass in the UK and Ireland” N. Bansal, Nottingham University Hospital, UK
<u>10.30 – 11.00</u>	<u>Coffee Break</u>
<u>11.00 – 12.30</u>	<u>Extra-Corporeal Life Support</u>
11.00 - 11.15	“Coordination of ECMO Supplies and logistics in pandemics” Dr. M. Schmidt, MD, PhD, Pitié-Salpêtrière Hospital, Paris, France
11.15 – 11.30	“Walking the Line: Anticoagulation vs Thrombosis in MCS” Prof. Dr. C. Vandenbrielle, MD, PhD, University Hospital Leuven, Belgium

11.30 – 11.45	“Consumption Coagulopathy during ECMO” Dr. M. Lubnow, MD, University Hospital Regensburg, Germany
11.45 – 12.00	“ECPR – a Routine for Cardiac Arrest?” Prof. Dr. J. Belohlavek, MD, PhD, General University Hospital, Prague, Czech Republic
12.00 – 12.20	Q & A
12.20 – 12.30	ABSTRACT Submission: “The Use of ECMO during Myocardial Revascularization in Cardiac Catheterization Laboratory: Own Experience” S. Maruniak, Heart Institute Ministry of Health, Ukraine
<u>12.30 – 14.30</u>	<u>Lunch Break</u>
<u>14.30 – 15.00</u>	<u>Coffee Break</u>
<u>15.00 – 17.00</u>	<u>Education & Training</u>
15.00 – 15.15	“Management Algorithms and Artificial Intelligence Systems for CPB” I. Condello, Department of Cardiac Surgery, Anthea Hospital, Bari, Italy
15.15 – 15.30	“E-Learning for ECMO Training” Dr. H. Peperstraete, MD, University Hospital Ghent, Belgium
15.30 – 15.45	“State of the Art of Perfusionists in Europe” A. Parasido, Perfusionist, ECCP, Rennes, France
15.45 – 16.00	“European Perfusion Guidelines: Where are we now?” Professor A. Wahba, MD, PhD, St. Olavs University Hospital, Trondheim, Norway
16.00 – 16.20	Q & A
16.20 – 16.50	“Perfusion in Europe 1991-2021” Guest speaker
16.50	Closing Remarks
