

EACTS 2021 PROGRAMME

AT A GLANCE

THURSDAY 14TH OCTOBER

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- HANDS-ON TRAINING

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET			
02:30 - 04:30	14:30 - 16:30	08:30 - 10:30	Endoscopic Mitral Valve Repair Drylab Training	EACTS Training Village 2	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Different outcomes for various biological materials in AVR	Room 116-117	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	TMVI for beginners	Room 113	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Minimally Invasive CABG: a missed opportunity?	Room 114	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Cardiac Transplantation	Room 115	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Minimally invasive mitral repair masterclass.	Room 111	Adult Cardiac ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Extensive aortic arch repair: To freeze does not mean to heal	Room 112	Vascular Disease ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Miscellaneous - aortic arch and left heart obstructions	Room 211	Congenital Heart Disease ●
3:00 - 04:30	15:00 - 16:30	09:00 - 10:30	Oncology I	Room 212	Thoracic Disease ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Timing for Aortic valve repair in aortic regurgitation.	Room 116-117	Adult Cardiac ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Successful ablation of atrial fibrillation: approaching the target!	Room 113	Adult Cardiac ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Sternum, chest wall and beyond	Room 114	Adult Cardiac ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Shock, ECLS and temporary right heart support	Room 115	Adult Cardiac ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Heart Team – does it still exist?	Room 111	Adult Cardiac ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Questioning the treatment of acute Type A aortic dissection	Room 112	Vascular Disease ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Update in Single ventricle management	Room 211	Congenital Heart Disease ●
05:00 - 06:30	17:00 - 18:30	11:00 - 12:30	Mediastinum and Esophagus	Room 212	Thoracic Disease ●
06:00 - 08:00	20:00 - 21:00	12:00 - 14:00	Training Village - Coronary	EACTS Training Village	Adult Cardiac ●

EACTS
European Association For Cardio-Thoracic Surgery

EACTS 2021 PROGRAMME

AT A GLANCE

THURSDAY 14TH OCTOBER

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- HANDS-ON TRAINING

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET				
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	The conundrum of non degenerative mitral regurgitation: looking for a solution!	Room 113	Adult Cardiac	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Cardiac surgery in times of COVID	Room 114	Adult Cardiac	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	EUROMACS	Room 115	Adult Cardiac	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Problems and concerns related to the choice of an optimal aortic valve substitute	Room 111	Adult Cardiac	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Type B aortic dissection - Light at the end of the tunnel?	Room 112	Vascular Disease	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	The Aortic Valve and Aortic Root in Adolescent and Adult with CHD	Room 211	Congenital Heart Disease	●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Chest Wall – Tumors, Deformities and Trauma	Room 212	Thoracic Disease	●
09:00 - 11:00	21:00 - 23:00	15:00 - 17:00	Training Village – AV Repair	EACTS Training Village	Adult Cardiac	●
09:00 - 11:00	21:00 - 23:00	15:00 - 17:00	Endoscopic Mitral Valve Repair Drylab Training	EACTS Training Village 2	Adult Cardiac	●
09:00 - 11:00	21:00 - 23:00	16:00 - 17:30	Are Men from Mars and Women from Venus even for CABG?	Room 116-117	Adult Cardiac	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	The latest on degenerative mitral regurgitation	Room 113	Adult Cardiac	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Hot topics in transcatheter valve treatment	Room 114	Adult Cardiac	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Challenges of the small LV – Room for improvement	Room 115	Adult Cardiac	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Controversies in Aortic Valve Repair	Room 111	Adult Cardiac	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Various perspectives to approach the acute Type A aortic dissection	Room 112	Vascular Disease	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Management of neonates and low-weight infants with CHD	Room 211	Congenital Heart Disease	●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Treatment options for end-stage emphysema	Room 212	Thoracic Disease	●

EACTS 2021 PROGRAMME

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- HANDS-ON TRAINING
- PLENARY

AT A GLANCE

FRIDAY 15TH OCTOBER

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET				
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Minimally invasive aortic valve and root surgery: status quo?	Room 116-117	Adult Cardiac	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Cardiac rehabilitation and perioperative medicine	Room 113	Adult Cardiac	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	The science behind the future of valve surgery	Room 114	Adult Cardiac	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Left ventricular assist devices – From implant to long-term care	Room 115	Adult Cardiac	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Arrhythmia surgery: between confirmations and surprises	Room 111	Adult Cardiac	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Searching for options to improve the aortic treatment	Room 112	Vascular Disease	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Update on treatment of complex disease	Room 211	Congenital Heart Disease	●
02:15 - 03:45	14:15 - 14:45	08:15 - 09:45	Oncology II	Room 212	Thoracic Disease	●
03:00 - 05:30	15:00 - 17:30	09:00 - 11:30	Training Village – Mitral	EACTS Training Village	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Matching the best substitute for aortic valve replacement to the patient	Room 116-117	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Current and future perspectives in VAD therapy	Room 113	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Infective Endocarditis	Room 114	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Controversies in transcatheter valve treatments	Room 115	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	CABG video technical masterclass	Room 111	Adult Cardiac	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Insights into proximal aortic disease: Treatment and long term results	Room 112	Vascular Disease	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	HTX /mechanical support	Room 211	Congenital Heart Disease	●
04:00 - 05:30	16:00 - 17:30	10:00 - 11:30	Oncology III	Room 212	Thoracic Disease	●
05:45 - 06:30	17:45 - 18:30	11:45 - 12:30	Presidential Address and Awards	Room 116-117	35th EACTS Annual Meeting	●
06:45 - 08:15	18:45 - 20:15	12:45 - 14:15	The challenge of atrioventricular valve regurgitation in single ventricle	Room 115	Congenital Heart Disease	●
06:45 - 08:15	18:45 - 20:15	12:45 - 14:15	Thoracic Miscellaneous	Room 212	Thoracic Disease	●

EACTS 2021 PROGRAMME

AT A GLANCE

FRIDAY 15TH OCTOBER

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- PROFESSIONAL CHALLENGE
- HANDS-ON TRAINING

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET				
08:00 - 11:00	20:00 - 23:00	14:00 - 17:00	Training Village – TAVI/TMVI Simulators	EACTS Training Village	Adult Cardiac	●
08:00 - 10:00	20:00 - 22:00	14:00 - 16:00	Endoscopic Mitral Valve Repair Drylab Training	EACTS Training Village 2	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	Can we overcome the hazard of radiation in transcatheter procedures?	Room 116-117	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	Mechanical circulatory support in COVID patients	Room 113	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	Controversies in CABG	Room 114	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	The science behind the future of coronary and vascular conduits	Room 115	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	Sparing and repairing. An effort to avoid valve replacement	Room 111	Adult Cardiac	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	EACTS/STS Joint Meeting – Endo-Arch is here to stay (1)	Room 112	Vascular Disease	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	An update on Mitral Valve Surgery in Paediatrics	Room 211	Congenital Heart Disease	●
08:30 - 10:00	20:30 - 22:00	14:30 - 16:00	Covid 19 topics in thoracic surgery	Room 212	Thoracic Disease	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	Are we ready for TAVI in younger patients	Room 116-117	Adult Cardiac	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	Managing post-infarction complications	Room 113	Adult Cardiac	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	Game of Thrones: The Heart Team Live on Stage	Room 114	EACTS Annual Meeting	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	Challenging decisions and long-term outcomes in tricuspid and mitral disease	Room 115	Adult Cardiac	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	CPB and patient blood management	Room 111	Adult Cardiac	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	EACTS/STS Joint Meeting - Endo-Arch is here to stay (2)	Room 112	Vascular Disease	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	A Tribute to Giants: Aldo Castañeda and Bill Norwood	Room 211	Congenital Heart Disease	●
10:15 - 11:45	22:15 - 23:45	16:15 - 17:45	Insights beyond TNM - Joint session with IASLC	Room 212	Thoracic Disease	●

EACTS 2021 PROGRAMME

AT A GLANCE

SATURDAY 16TH OCTOBER

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- PROFESSIONAL CHALLENGE
- HANDS-ON TRAINING
- PLENARY

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET				
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Recent opportunities in AVR	Room 116-117	Adult Cardiac	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Video session in arrhythmia surgery: technical details for success in ablation and LAA closure	Room 113	Adult Cardiac	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Nightmares in Cardiothoracic Surgery	Room 114	35th EACTS Annual Meeting	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Are we ready to discuss whether to repair or replace in transcatheter mitral therapy	Room 115	Adult Cardiac	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	CABG in patients with low EF	Room 111	Adult Cardiac	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Dissecting the thoracoabdominal aortic dissection	Room 112	Vascular Disease	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Failing Fontan: any news? Joint session EACTS/AEPC	Room 211	Congenital Heart Disease	●
02:30 - 04:00	14:30 - 16:00	08:30 - 10:00	Advanced thoracic surgery for thoracic infections	Room 212	Thoracic Disease	●
3:00 - 05:00	15:00 - 17:00	09:00 - 11:00	Training Village – Congenital	EACTS Training Village	Congenital Heart Disease	●
3:00 - 05:00	15:00 - 17:00	09:00 - 11:00	Endoscopic Mitral Valve Repair Drylab Training	EACTS Training Village 2	Adult Cardiac	●
04:15 - 06:15	16:15 - 18:15	10:15 - 12:15	Evidence and Trials Update	Room 116-117	Adult Cardiac	●
04:30 - 06:00	16:30 - 18:00	10:30 - 12:00	New technologies and strategies in CHD	Room 211	Congenital Heart Disease	●
04:30 - 06:00	16:30 - 18:00	10:30 - 12:00	Major trials and landmark papers – what the thoracic surgeon needs to know	Room 212	Thoracic Disease	●
06:00 - 08:00	18:00 - 20:00	12:00 - 14:00	Training Village – TEVAR Simulation	EACTS Training Village	Vascular Disease	●
06:30 - 09:45	18:30 - 21:45	12:30 - 15:45	The Ross Operation and its Failures – State of the art.	Room 116-117	Adult Cardiac	●
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	Women in Cardiothoracic Surgery	Room 113	35th EACTS Annual Meeting	●
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	Technical pearls in mitral valve repair: surgical video tour in neochordae adjustment for anterior leaflet prolapse	Room 114	Adult Cardiac	●
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	Nurses and Allied Health Professionals	Room 115	35th EACTS Annual Meeting	●

EACTS 2021 PROGRAMME

AT A GLANCE

SATURDAY 16TH OCTOBER

SESSION KEY

- ABSTRACT
- FOCUS SESSION
- PROFESSIONAL CHALLENGE
- HANDS-ON TRAINING

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET			
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	2021 EACTS/ESC Guidelines for the management of valvular heart disease: Meet the task force members	Room 111	35th EACTS Annual Meeting ●
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	Chronic aortic disease – Make the right decision	Room 112	Vascular Disease ●
06:30 - 09:45	18:30 - 21:45	12:30 - 15:45	Anomalous Aortic Origin of Coronary Arteries: Are we doing well?	Room 211	Congenital Heart Disease ●
06:30 - 08:00	18:30 - 20:00	12:30 - 14:00	Advances in ERAS – how far can we go?	Room 212	Thoracic Disease ●
08:00 - 10:00	20:00 - 22:00	14:00 - 16:00	Endoscopic Mitral Valve Repair Drylab Training	EACTS Training Village 2	Adult Cardiac ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Coronary Surgery in 2021	Room 113	Adult Cardiac ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Non degenerative mitral regurgitation: the hard bit!	Room 114	Adult Cardiac ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Global Cardiac Surgery: Changing the Narrative	Room 115	35th EACTS Annual Meeting ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Current trends and Future Directions in Development of Joint Trustworthy Clinical Practice Guidelines	Room 111	Adult Cardiac ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	An exciting journey around the aortic world in 90 minutes	Room 112	Vascular Disease ●
08:15 - 09:45	20:15 - 21:45	14:15 - 15:45	Thoracic MDT	Room 212	Thoracic Disease ●
09:00 - 11:00	21:00 - 23:00	15:00 - 17:00	Training Village – Thoracic	EACTS Training Village	Thoracic Disease ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Reducing long term risk after CABG	Room 116-117	Adult Cardiac ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	HOCM and constrictive pericarditis	Room 113	Adult Cardiac ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Bicuspid AV repair	Room 114	Adult Cardiac ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Surgery for tricuspid disease: hot topics	Room 115	Adult Cardiac ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Late breaking clinical trials	Room 111	35th EACTS Annual Meeting ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Thoracic aortic surgery –precaution is better than aftercare	Room 112	Vascular Disease ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Better Percutaneous or surgical treatment in CHD? - Joint session EACTS/AEPC	Room 211	Congenital Heart Disease ●
10:00 - 11:30	22:00 - 23:30	16:00 - 17:30	Rare Thoracic Surgery (ped tumors, cardiac denervation, Hyperhydrosis, TOS)	Room 212	Thoracic Disease ●

INDUSTRY SESSIONS

THURSDAY 14TH OCTOBER

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET		
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Abbott Combining Technology and Experience to excel with LVAD Therapy	Room: 112
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Abiomed MCS 2021 – New Perspectives in Cardiac Surgery on Generation of Evidence	Room: 114
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Atricure AF Management in the Operating Room: building a Standard of Care	Room: 111
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Cytosorbents Hemoadsorption with CytoSorb in various cardiac surgery indications	Room: 113
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Medtronic (AF) Optimising outcomes for AF patients in standalone and concomitant procedures	Room: 211
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Medtronic (CONCOMITANT) The future of SAVR: the big debate	Room: 116/117
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Medtronic (TAVI) TAVI innovation and the new VHD guidelines – the evolving role of Cardiac Surgeon	Room: 212
06:45 - 08:00	18:45 - 20:00	12:45 - 14:00	Medela ERACS – Managing Postoperative Risks	Room: 115
12:00 - 13:15	00:00 - 01:15	18:00-19:15	Berlin Heart Benchmark results with pulsatile VADs	Room: 111
12:00 - 13:15	00:00 - 01:15	18:00-19:15	Edwards 100'000 implants with INSPIRIS RESILIA aortic valve: why Real-World Evidence is crucial?	Room: 112

FRIDAY 15TH OCTOBER

New York EDT - 6 hours	Beijing CST + 6 hours	Barcelona CET		
06:45 - 08:00	18:45 - 20:00	12:45-14:00	Abbott Mitral Valve replacement in the current era: new guidelines and practical considerations to tailor the treatment to every patient	Room: 211
